Participant Guide - Roughrider Day Parade

- Any person, business or group can enter the parade. We encourage registrations be completed on our website.

- The theme for 2019 is "**Boots, Chaps and Cowboy Hats**". Decorations can either be relevant to the parade's theme, or to Independence Day celebration. Artistic interpretation of the theme is encouraged.

- All entries will be assigned a staging area in which to assemble. **All entrants are encouraged to be ready before checking into their assigned staging area.**

- Candy and promotional items are allowed for distribution by participants. Please keep in mind spectator safety when tossing or passing out candy and items to ensure a great parade for all!

- Be prepared for the weather. Generally it is warm so be prepared by having water with you along the route. If you are walking, wear good, comfortable walking shoes.

- Be patient during staging. It may look like CHAOS but we will ensure all entrants are in place and ready to start on time!! **Please look for RRC colored shirts or yellow vests for help lining up during staging.**

- The official line-up will be available on this our website on Monday of parade week. This includes your float name, number and staging location to notify anyone associated with your entry or may be dropping off parade participants.

Yeehawww, Let's make this Roughrider Days

Parade the best one yet!!!
